### LAMBS LARDER MOBILE

**"A real innovation in convenience shopping."**

As a busy commuter, it is not always possible or even desirable to do your evening meal shopping on the way home. With that thought in mind, we have developed Lambs Larder Mobile. This service enables you to order your COOK ready meals, pies and lasagne, wine, beer, cigarettes and daily essentials, and have them waiting for you at the station car park when you arrive. As you pre-pay for the service, you simply collect from our van and go. Initially, we are using Eridge Station as a test case and if successful we will roll the service out to many more stations. (So, if you commute from Eridge East Sussex, you can use this service NOW!) The convenience of having your ready meals and beverages waiting for you upon

arrival is a service you will like. If you use the service, at the PayPal checkout, please click the note to seller button and let us know what approximate arrival time you expect for your train.
